

## Dan Bresolin – Assistant Vice President –CN Intermodal International

As Assistant Vice President of International Intermodal based in Toronto, Dan is responsible for all Sales and Marketing components of CN's International book of business which includes all relationships with Ocean Carriers and Port Stakeholder relationships on all 3 Coasts that CN serves. Prior to his current position, Dan was the Director of Marketing, Intermodal International, managing all aspects of pricing, strategy, new product development, & contract analysis for all of CN's Intermodal International business. Dan has also held leadership positions in Sales at CN including Director of Sales in International and Director of Strategic Sales in Domestic Intermodal. Dan joined CN in April, 1999 as an Intermodal Account Manager based in Toronto ON. Prior to joining CN, Dan worked for 6 years in the trucking industry for TST Overland Express. TST is a Toronto based North American wide LTL (Less Than Load) Trucking company.

Dan takes great pride in his knowledge and experience in rail operations and has taken full advantage of CN's Management operations training programs. Currently, Dan holds a valid Conductor's certification card, and Intermodal Crane Operator's certification.

When not working, Dan likes to play golf and hockey and also likes to coach minor hockey. Dan is a Graduate of Brock University in St. Catharines Ontario and currently lives in Stoney Creek ON with his wife Rena, son Caleb, and daughter Zoi.
