Online Trivia Contest

April 16, 2020

5 p.m. Eastern

MARS Young Professionals –

I hope everyone and their families are safe during these trying times.

The objective of the MARS Young Professionals Group is to develop community and networking amongst professionals within the Rail Industry. During this unprecedented time, community is more important than ever.

With this in mind, we will be hosting an **E-social event including an Online Trivia Contest on April 16th at 5 PM Eastern**. The event is no charge and can be accessed per the instructions below.

In order to give back to those in the most need during this time, the Sherwin-Williams Rail Team will make a donation to Feeding America's COVID19 response efforts for every participant who attends – **so please spread the word!**

The intention of this event is to bring us together (remotely) to share our experience and have a little fun. I hope you can join us.
